

## **Lateral Flow Testing**

The Government guidelines specify that all visitors to a Care Home must complete a Lateral Flow Test (LFT) each time you visit and register it on the Government portal online. This needs to be registered with the Heyfields Unique Organisation Number (UON) which is **10063964**.

Please use the link below to register your test result, this can be done at home before you visit Heyfields premises. However, you must bring the used ID test strip result with you to prove that your test is negative before you will be allowed entry into the building.

<https://www.gov.uk/report-covid19-result>
